Join us for a special storytime event in celebration of *Make a Difference Day*. Volunteers from Ohana100 will read with keiki and engage in fun reading activities to promote literacy. **Free books will be given to children and teens (babies through age 18) during this event, while supplies last.**

Ohana100 is a non-profit organization that promotes literacy and community services in Hawaii and New York. Over the years, they have provided free and gently used books to children and supported literacy initiatives in local communities.

Program schedule is subject to change. Contact the hosting library at least 10 days in advance to request a sign language interpreter or if special accommodations are needed. For a list of upcoming library events, visit www.librarieshawaii.org/events.
